

Experience Dance! Project

The *Experience Dance! Project* sets out to inspire, and inspire it does:

- **AUDIENCES:** Builds a new generation of dance-appreciators, bringing ***beautiful, innovative, world-class dance*** to audiences of all ages, backgrounds, and means.
- **DANCERS:** Gives ***talented Oregon dancers*** incentives to remain a part of, and share their talent with, our community. Equips dancers for careers in an increasingly competitive professional dance world through diverse training and performance opportunities.
